

**Relief from
everything that**

bites, stings

or itches.

**Convenient itch relief from insect bites, poison ivy,
oak, sumac, bee stings and other skin irritations.**

Rhuli® Bite-Aid

The only clear stick to provide instant relief that's easy-to-use because it won't run or drip.

Rhuli® Gel

Invisible itch relief that cools and soothes itch and irritation with benzyl alcohol, menthol and camphor. And because it's clear, it won't stain skin or clothing.

Rhuli® Spray

The convenient spray contains benzocaine to anesthetize pain and itch without rubbing irritated skin. And to help dry oozing and weeping, it also contains calamine.

Rhuli®

to the rescue.
